Dear Sponsor,

The Crescenta Valley High School Softball Organization would like to thank you and your business for considering participation in our banner program.

Sponsoring a banner is not only an effective way to locally advertise your business, it also helps fund our CVHS Softball teams. The Glendale Unified School District budget is limited and only funds a small portion of the budget for both programs. We need community members like you to help support this important program for our youth.

The banners will be hung all around the CV softball field catching the attention of spectators each softball season. What a great way to display your business.

3 ft. x 5 ft. vinyl banner sells for $150.00 New (renews every year $100.00)

We hope you will consider this unique opportunity to advertise your business. Please enclose or email a copy of your logo or artwork in JPG, EPS, TIF, BMP, GIF, PNG file type/high resolution or your highest quality image and we will do our very best to match your colors and design. If you have any questions please don't hesitate to contact Julie at (818) 248-8246 or email me at ebsdjtk@aol.com
